AMENDMENT

Mail Stop RCE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This Amendment is being filed in response to the Final Office Action mailed from the U.S. Patent and Trademark Office on August 28, 2006 in the above-identified application. Reconsideration and further examination are requested.

An extension of time to respond to the Office Action is respectfully requested. A Petition for Extension of Time and the appropriate fee are being filed concurrently with this Amendment.

A Request for Continued Examination (RCE) is also being filed concurrently with this Amendment.

Please amend the application as follows:

Amendments to the Claims

Please amend Claim 1, and cancel Claims 36, 38, 40, 41, 43, 56-58 and 65-67. The Claim Listing below will replace all prior versions of the claims in the application:

Claim Listing

1. (Currently Amended) A method of treating a human patient with Pompe's disease, comprising[[[:]] intravenously administering biweekly to the patient a therapeutically effective amount of human acid alpha glucosidase, whereby the concentration of accumulated glycogen in the patient is reduced and/or further accumulation of glycogen is arrested.

2-67. (Canceled)
